# Eaton Bray Good Neighbours Update

A very big thank you to all Eaton Bray residents who completed the recent Survey about the Good Neighbour Scheme. As a result the Scheme now has some twenty local volunteers and a steering group. We also have an indication of the type of assistance we can give to villagers, once we are up and running.

Several meetings have now been held at the Salvation Army Church Hall, both to explain how the Scheme works and for volunteers to get to know each other. In the next few weeks the steering group will get all the necessary administration in place, agree a name for the Scheme and most importantly organise a Helpline number.

Any resident requiring assistance can contact us on this Helpline number, 9am to 5pm, Monday to Friday. We can put you in contact with one of our volunteers, who will then assist you. Any out of pocket expenses, such as fuel costs will be agreed with you, according to a published scale This is reimbursed to the volunteer.

The Helpline number will be widely publicised, so watch out for when we actually go live! Remember all our volunteers will be DBS checked and fully insured.

So, for example, if we can help with any of the following services, just give us a call.

Transportation to the surgery, to hospital, prescription collection, minor shopping, errands, lifts to day centres, form filling, letter writing, checking bills, small diy jobs around the home, walking your pet, or just dropping in for a cup of tea and a chat!

# 13th Eaton Bray Beer Festival Friday 10th and Saturday 11th June

Yes we are nearly there again and can you really believe that we have been going 13 years!

This year we are again pushing out the boat, with 30 beers plus ciders and perrys. The small hall will be full of good cheer from noon on Friday until 11pm Saturday night.

In the meantime, in the main hall: on Friday night we have Jerome Chance doing one of his great sets, which are fabulous to just listen to or, if you prefer, take a trip down memory lane and dance the night away.

Come Saturday afternoon (about 2.30pm) Smartie Artie will give those who are younger, (or who are living their second childhood!) a magic show that will enchant them for an hour or so. Next up will be The Dicemen, who we welcome back for a second year. Then later a new band for us, the Freight Train Riders. We know you will enjoy their music and some of you may have heard them at the open days at the Leighton Buzzard Brewery.

We trust that you will join us at this, the second largest gathering in our villages when everybody seems to have fun.

Before I finish, I must mention the Village Hall's 21st Quiz that took place on the 16th April. 160 people sat down to a fiercely contested quiz. The questions, set by master quizzer Keith Blackburn, led to a tie for first place. The tie breaker was won by Quizzie McQuizFace (don't ask me) who beat The Imbibers (my sort of team). In fact the top 9 teams where only separated by 3 points.

Last, but by no means least, came the Famous Five. To be fair, they had lost 2 members at short notice, but as a consequence got to share 8 boxes of chocolates between the five! The profits for this event are shared equally by the Eaton Bray Tennis Club and the Village Hall. Our next quiz is on the 29th October and I don't want to rush anybody, but 5 teams are already entered.

For more information on either event please contact me, Ross, on 221411 ross.bagni@btinternet.com

March went out like a lion Awakin' up the water in the bay; Then April cried and stepped aside. And along came pretty little May! May was full of promises But she didn't keep 'em quickly enough for some And the crowd of doubtin' Thomases Was predictin' that the summer'd never come June is bustin' out all over The feelin' is gettin' so intense. That the young Virginia creepers Hev been huggin' the bejeepers

In the church and community the sunshine, warmth, beautiful hedgerows, gardens and road edges I hope have helped to alleviate the pain and grief many families have experienced in our villages over the last few months.

I look forward to a number of weddings at St Mary's in July and August and an increased number of Christenings. These occasions help to restore the balance between grief and celebration that we all experience at some time in our lives.

grale

Finally, you may have heard by now, if not, I will be leaving the four villages at the end of August and moving to mid Wales. I will be sorry to leave but my energy levels are running out.

#### TREES ON EDLESBOROUGH GREEN - EYES NEEDED?

The EDaN Beautification Team have been putting in a lot of time and effort recently planting new trees on Edlesborough Green. These are being provided with a view to the future of the Green as

many of the existing trees are becoming old or may succumb to Ash Die-Back.

It was with great disappointment that we heard at our meeting in May that some of the new trees on the Green are being damaged. The new Village Christmas Tree was almost uprooted and has been replanted in an upright position with difficulty. Several of the support stays on other trees have been removed or damaged. Obviously no one knows who is responsible for the damage but it is likely it is people who will benefit from the beauty and shade of the trees in years to come but who are, perhaps, too stupid to realise it!

We would like to enlist the help of everyone who uses and values the Green to keep an eye open and help us to protect the trees from further damage while they are being established. The Team are about most days – and some evenings, keeping an eye open, and watering, and we would be very grateful if you could let us know if you spot any untoward behaviour. The Parish clerk, Penny Pataky, has contact details for most of us or you can contact me directly on 01525 220361.

Many thanks.

# St Mary's Village Carnival 2016

www.stmarysvillagecarnival.com

Carnival is now only a month away on 2nd July, so this is probably the last Carnival Focus article many will see before the event. If you want to be involved now is the time to do it! The Carnival Website and contact details are towards the end of the article.

#### Carnival Queen 2016

This year's Carnival Queen, Princess and attendants were chosen by draw on Sunday 17th April. Here are the lucky winners:

Front row: Millie Christie, Carnival Queen and Daisy Potton, Carnival Princess.

Back Row: Isabel Marsh and Frida Merino, Attendants.

The girls will be leading the carnival procession on the day in a suitably elegant limousine.

## Carnival Procession for ALL Families

This is final reminder before 2nd July that this year there will be a new category in the procession for all **FAMILIES**. Decorate your car full of Zombies, a van and/or trailer as a Ghost Train or plant a Ghoul on your bicycle. This will open up the carnival procession to anyone who wants to

have a go!

Remember there is also the house decoration competition along the procession route. This year we can look forward to all manner of monsters and scares as we head through the villages.

#### **An Ongoing Appeal to Local Businesses and Organisations**

Once again this is an appeal to local businesses as well as schools, youth groups, and organisations to get involved in the Carnival and have your organisation promoted during

this event. The ever increasing foot print of the Carnival, with visitors from Aylesbury, Milton Keynes, Dunstable, Luton and Hemel Hempstead, is an ideal vehicle for promoting your business. As an organising committee we can work with you to find the best means of advertising your businesses to the crowds who attend the Carnival if you give us a chance to do so. Here are a few ways that the Carnival could work for you:

- Advertising in the arena.
- Have a float in the Carnival procession.
- Have a stall at the Carnival.
- Donating a prize for the Grand Draw.
- Donating a prize for the Silent Auction.

All details of Carnival 2016 including how to book a stall, arrange advertising, offer prizes and much more can be found on the Carnival website:

#### www.stmarysvillagecarnival.com

#### Can You Donate A Prize or Your Time?

The Carnival Committee is always looking for people who can help in a variety of ways:

- Manning stalls
- Helping in the tea tent
- Driving a vehicle
- · Acting as a marshal for the procession
- Supervising the car parking
- Picking up litter
- · Baking cakes
- · Tossing a sausage at the BBQ

There are other ways of supporting the Carnival by donating equipment, money or prizes for our Grand Draw, Silent Auction and Tombola. For those with green fingers perhaps you could take a few cuttings and donate to the successful plant stall.

As vital as these activities is help with bringing equipment to and from the Green before and after the event. It's never too late to offer your help for this year. Whether you can spare an hour or all day to help we can find something for you to do and I can assure it's as much of a hoot spending an hour or two at a stall or meeting new people setting up the carnival as it is attending the event itself!

For any specific questions or if you would like to get involved with organisation of the carnival either by helping for a few hours on the day or providing assistance in the coming month contact Gordon Gray on 01525 220136 or through the carnival website above.

Here's looking forward to a "FRIGHTFUL" Carnival on 2nd July!

#### Chairman's Report for the Annual Parish Meeting

The Chairman, Cllr Alan Williams, gave a 'PowerPoint' presentation of the Council's various activities during the past year.

This included a review of major projects set for the parish for the year April 2015 to March 2016 and accomplished successfully.

- Streetlights -virtually complete
- New Pavilion supported by EPC planning approved
- Devolved Services from Bucks CC new contract in place for April 1 2016
- New financial software and on-line banking in place
- Neighbourhood Plan or updated Parish Plan? Neighbourhood Plan underway October 2015

The one area of disappointment was the new housing application opposite the school that was opposed by EPC but granted by AVDC

We are pleased to continue to support our EDaN Teams. We celebrated the installation of the Floodlights at the church by the Friends of the Church on the Hill, the success of the Traffic Management Team in persuading BCC to downgrade the A4146 and approved a new tree planting scheme proposed by the Beautification Team. The Community Car Scheme continues to provide a valuable service to parishioners and will welcome new drivers to the scheme.

The projects for the current year to March 2017 are

• Full implementation of Devolved Services

- Catch up on the services neglected by BCC
- Implement a new Parish Council website
- Finalise, together with Edlesborough Community Sports Club, the direction for the new Pavilion
- Implement key projects e.g. Defibrillators
- Complete the Neighbourhood Plan successfully (see current status below)

The Chairman thanked County Cllr Avril Davies, District Cllr Chris Poll and the parish councillors for their work on behalf of parishioners. In addition, thanks were given to the many volunteers who support the Parish Council as allotment wardens, EDaN Volunteers, charity trustees, sponsors and all the many unidentified parishioners who help keep the villages tidy.

A copy of the presentation will be posted on www.edlesborough-pc.gov.uk

#### Eaton Bray Methodist Church

On the first Sunday in April Shepherd Combo led our service, giving the encouraging message that Jesus meets us at the time of our greatest anxieties. Continuing this theme in our Cafe worship on the second Sunday, Richard Armiger focused on the way that Christ helped the disciples to try new and different ways of doing things and showed us that we, too, should accept that with Christ the

impossible may become possible. The Rev Wallace Edwards made a very welcome return to our pulpit on the third Sunday. His theme was Jesus, the Good Shepherd, and he reflected on the shepherd's utter commitment to the needs of his flock, reminding us that God cares for our physical and material needs as well as the spiritual ones. As usual, our Communion service took place on the last Sunday in the month and was led by Rev Nigel Wright. His message concerned facing up to the challenges of obeying Christ's great commandment "that ye love one another". He highlighted the ease with which any of us can slip into an unhelpful patronising attitude and suggested it was good to recognise that we all fall short, inviting us to accept the unity of our common humanity and join in communion with God who makes us whole, individually as well as collectively.

On 16th April one of our former Sunday School scholars celebrated her 100th birthday at our church with a party of around 80 relatives and friends. Violet Smith (née Pipkin) was born in St Giles Yard, Eaton Bray on 16th April 1916. Her family have always been members of this church and one still worships here. Her sister Norah celebrated her 100th birthday here in 2003. Our Music Night on Sat 30th April, in aid of the organ fund, attracted a large audience and was a great success. We are grateful to Stephen Turner, the organist and the U3A choir under Elaine Trevor for their superb performances, as well as the many volunteers who gave their help.

### Appledown's Ressue Dog of the Month

Ruby is a collie cross whippet and is less than one year old. If you look very carefully at her photo you will see that she has only three legs. One of her hind legs was removed

due to an injury but she copes brilliantly and it really doesn't hold her

back! She is a real little bundle of joy, bright and affectionate.

If you could offer Ruby or any of our other dogs a loving and secure home, please call in at the kennels any day between 10 a.m. and 4 p.m. or give us a call for more details. Please note that there are restrictions on rehoming adult dogs to families with children under seven years of age. #### Love is in the Air!

Excitement has come to Edlesborough School this month. Our much loved Site Manager, Football Coach and backbone to the school popped the big question to his lady friend one evening this month at a specially organised football game.

Adrian Bush, 21 again, organised for the EB Lions girls team to play a friendly against another local team so that he could propose in true romantic style. Unknown to the lovely Caron, Adrian had organised the f ball team to have letters attached to their t-shirts spelling out "Will you marry me?" At a predefined time, the girls exposed their t-shirts as Adrian bent down on one knee - ring in hand - to a very confused Caron. She replied a very emphatic yes to the delight of all attending.

Good luck Lovebirds, from all of us here at the school!

## **Buckingham County Councillor's Annual Report**Avril Davies, Ivinghoe Division Bucks County Council

I am mostly going to refer to finances in this year's report. I am going to paint a picture of not enough money and increasing demand for services. In no way am I an apologist for the ruling group on the local authority, because their priorities are very unlikely to be my priorities when cash is hard to find, but I am showing you how continuing spending cuts over 10 years, that's from 2010 until 2020, are hollowing out public services in this area.

#### 2015 Council Spending Freeze

In November the County Council announced a freeze on non- essential spending. It stated that the council was taking decisive action to address a possible budget shortfall by almost £6 million.

The council has struggled all year to balance the books, which is a legal requirement for local government. Not only has the council been struggling to implement a robust recovery plan for children's services which had been judged 'inadequate' by OFSTED the previous summer, but it had embarked on a risky organisational change to meet the financial challenge. By February this year this resulted in a £1 million a month salary bill for interim management staff and agency workers.

#### One of the worst grant settlements in the country for Bucks

To top this, in the days before Christmas, Bucks County Council was awarded one of the worst grant settlements to local government in the country. The revenue support grant which had been expected to be around £32 million came in at £23 million tapering to zero in 2020. The reduction in grant is to be made up by business rates retention amounting to £25 million this year, but by 2020 a negative settlement means £11 million surcharge must be paid back to government to redistribute to less well-off areas. But by 2020 small businesses will be exempt from business rates and in Buckinghamshire only 75 out of 32000 businesses have over 250 employees, so the business rate revenue looks set to dry up completely. Good for business but not for residents and council tax payers.

#### **Increased Council Tax**

The council overall budget comprises £57 million from grants and £335 million from council tax. This year the council tax was increased overall by 4%, 2% of which was a general increase and 2% for adult social care.

My group agreed to council tax increases even though this falls disproportionately on those least able to afford it, because if the cuts are too big and unplanned, without adequate preparation and lead in time the whole council risks failure

#### **Overall Expenditure**

£15 million are held in reserves

£127 million spent on adult services and health and well-being

£56 million on children services

£34 million on education

£26 million on transport

the rest is in the community services, planning, resources and the leader's portfolio.

#### Cuts – or Savings

The 2016/17 budget includes at least £7 million of unspecified cuts – or savings.

Other cuts have been specified, but may also be unachievable - for example £4 million of cuts to residential care for people with learning disabilities.

Cuts in respite care will impact heavily on families looking after children and adults with disabilities.

There were also massive cuts to the conneXions service which is responsible for 16+ education and employment with two centres closing in Aylesbury and other services closing elsewhere for example in Buckingham.

Overall there is a very high risk that the budget for 2016-17 will be unachievable, and that a further spending freeze will be required.

#### £7M last minute extra set aside for contingencies

In February just three days before the council budget decision-making day a £7 million 'rescue' package was negotiated as part of a larger package or sweetener in constituencies where the Conservative MP threatened to vote against the national budget. In Bucks this was not used to restore services but was set aside for unmet savings and anticipated overspend and on the energy from waste project

The Liberal Democrats wanted to see cuts restored that would result in future savings and prioritise children and investment for the future, such as restoring £600,000 to children's centres.

£1,100,000 back into the conneXions service, £100,000 back into school improvement and £190,000 back into public health prevention services.

#### Changes and developments in the Ivinghoe Division

- Locally we have seen the Children's Centre change from being operated by Barnardos to the new contract holders Action for Children.
- Proposals to downgrade the A4146 to the B440 rumble on and on. I continue at every
  opportunity to press for a comprehensive action plan to mitigate the pressure of traffic on
  our fragile road network.
- This included participating in the west coast mainline franchise renewal consultation and making time at the Local Area Forum for all interested parties including Aldbury Parish Council and Herts CC to make their concerns known to the planners at Bucks CC and AVDC.
- Local growth and how to survive without a district-wide local plan is one of the factors
  putting pressure on county council services and other infrastructure. Several parishes in
  the Ivinghoe division have put together successful Neighbourhood Plans and Pitstone and
  Cheddington have held referendums with high participation rates.

#### My own workload

As well as working on the Neighbourhood Plan for my own village and taking on the chairmanship of the Beacon Villages Community Library I am a member of the Children's Centre advisory board. I usually have several hours a week of correspondence and individual case work, I am a regular member of the monthly Regulation and Audit Committee and the Transport Economy and Environment Select Committee.

This year I have been a member of four major select committee enquiries. These have been into flood prevention and management, the prevention of child sexual exploitation, the social integration of adults with a learning disability, and the return on investment in the economic development of the county.

I have additional duties as leader of the official opposition, such as attendance at conferences, pay review meetings, and the selection panel for senior members of staff including the new chief executive for the County Council.

COURAGE

RESPECT

On Thursday 14th April, the children of Dagnall Church of England School were busy celebrating their very first Values Morning. The building was buzzing with activity as the children, with their wonderfully supportive parents, explored the six Christian Values: Love, Friendship, Responsibility, Respect, Courage and Koinonia. The varied and creative

activities ranged from making bracelets to icing biscuits and culminated in the celebration of their value for this term Koinonia.

What is this I hear you ask? If you ask a child at Dagnall they will confidently tell you that it is a Greek word that is all about communicating and working together as a team. It is a difficult word

to understand when you're only 5 years old but one that really encapsulates the strength and support of the local community. Therefore, to begin to develop the idea with the children, they invited the Dagnall Over 60's and their faithful Rev. Coralie to join them for tea and delicious cheese scones (made by the children of course!) The children showed great courage in welcoming our guests from the community, asking questions and listening to fascinating stories of others.

The morning was a fantastic success due to the continued passion and hardwork of our staff. Not to mention the love, courage and respect of our children at Dagnall Church of England School.

The comments from parents were overwhelmingly positive:

"The values morning was brilliant. We both found it very worthwhile."

"The Values morning was a lovely way to spend time with the children and to learn about the schools values."

Since 2006, one of the social highlights of the year in our villages has been our Open Gardens event. We have had some wonderful afternoons enjoying gardens that have been opened by willing gardeners; both gardeners and visitors value the experience in equal measure.

Please would you open your garden?
Contact
Kay - 222849
Gordon - 220136

This year's event will be on 24th July so people who have previously opened their gardens in mid-June may wish to show off an entirely fresh colour scheme and others who have not opened their gardens before may feel their garden is more beautiful in July. This is a really special event in our villages' calendar. We already have a few offers of gardens but we do need some more.

Now is the time to offer to open your garden. It can be large or small – all gardens have something to offer visitors and past experience suggests that those who open their gardens are delighted by the positive feedback they receive. Do please think about it, then get in touch with either Kay Griffiths (222849) or Gordon Gray (220136).

### Rump of Lamb, Pesto Mash, Ratatouille, Rosemary Jus

After the sweet treats of my last two recipes, here's a great main course dish. The beauty with this recipe, created by St Albans' Sopwell House's brasserie head chef, Dan Woosey, is that you can use the different components with different meals - the pesto mash is a winner, the simplified ratatouille goes with any other meat or fish. And you'll be amazed what adding a little rosemary does to humble gravy granules. This is also perfect for a dinner party. The whole dish can be prepared in advance, leaving just the sealed lamb to oven roast and the mash, ratatouille and jus to warm up.

Plump lamb rump works really well here but you can replace it with leg steak or cutlets if you prefer.

#### Serves 4

4 x 170g rumps of lamb
Sprig of rosemary
Sprig of thyme
1 garlic clove
1kg King Edward potatoes, peeled and cut
100ml green pesto
Knob of butter
50ml double cream
1 red pepper, diced small

1 yellow pepper, diced small

1 aubergine, diced small

1 courgette, diced small

1 tbsp tomato puree

Sprig of thyme

50ml white wine

100ml vegetable stock

Either store-bought jus or gravy granules 1 sprig of rosemary, picked and snipped

#### Method

Pre-heat the oven to 180C/ Gas Mark 4 First, marinade the rumps with snipped thyme, rosemary and chopped garlic. In a hot frying pan, add a little oil and carefully seal the lamb on all sides. Place the steaks on a baking tray, ready to cook.

For the mash, cook the potato chunks in salted boiling water, taking care not to overcook them as this will make the

mash watery. After draining the potatoes, place them back in the pan and put them on a very low heat, stirring to remove the moisture.

Add the butter and cream to the potatoes. Mash them, season them and finish by mixing in the pesto bit by bit, until the right flavour and consistency is achieved.

For the ratatouille, place a pan on a medium heat, add a little oil then cook the diced veg until "just soft" (4 or 5 minutes). Season, then add the tomato puree. Cook while stirring for 2 minutes on a low heat, then add the white wine and reduce until nearly evaporated. Add the vegetable stock a little at a time until the vegetables are beautifully coated with the tomato sauce.

For the gravy/jus slowly heat up the gravy and add the snipped rosemary, simmer for a few minutes and it's ready.

Cook the lamb in the oven for 12-14 minutes for a nice medium rare. Leave to rest at least 6 minutes before cutting and serving.

Assemble the mash and ratatouille on the plate, carve each steak into 2 or 3 even pieces and place on the mash, then drizzle the rosemary jus over for a lovely dinner party dish.

#### **EXHUMED BONES LAID TO REST**

"On Ascension Day, Thursday 5th May, the bones which had been exhumed during the archaeological excavations at St Mary's prior to building the extension, were respectfully laid to rest once more in the churchyard. About a dozen people were there on what was a very cheerful and sunny morning, including members of St Mary's congregation and Eaton Bray villagers who were passing by having cast their votes in the polling station!

Revd Coralie McCluskey read a moving service of commital and at one point had to compete with the loud singing of a robin in a nearby tree. The commital rite contains the words 'earth to earth, ashes to ashes, dust to dust; in sure and certain hope of the Resurrection to eternal life, through our Lord Jesus Christ'. Coralie pointed out that the people whose bones we were reburying, having lived in less questioning times, would have had a very strong faith and belief in eternal life. Their friends and loved ones would have taken great comfort from those words.

The full archaeological report on the excavations has not yet been received but without doubt, it will be very interesting and give us more information about the history of the church and the village. It will be made available for all to read and there will be more information in Focus in the coming months.

St Mary's extension will provide a much needed accessible toilet. The exterior is now complete and the fitting out of the interior is currently taking place and by the time you read these lines, may also be finished and the facilities in use!"

#### St Mary's 100 Club

The May draw for St Mary's 100 Club was made by some of those who attended this month's coffee morning in the church.

The lucky prize-winners are:

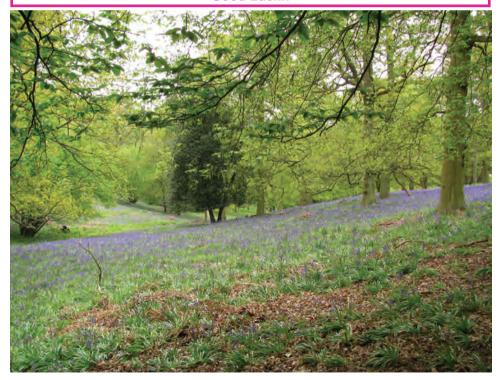

#### May 2016

1st Prize 2nd Prize	No. 82 No. 33	John Plater Patricia Quartermaine	£59.00 £35.40

Every now and then someone notices that some people in the 100 Club seem to be lucky in that they've won a prize more than once. Yes, luck does come into it, but I've been over the list of previous winners and it would seem there's a link between the number of entries that a person has bought and the chances of them winning.

So whether you'd like to join the fun (for just £2 per month) or buy additional entries, then please contact me (Gary Freeman) for an application form – gary@old-wrestlers.demon.co.uk

# TACKLING A MAMMOTH TOOTHACHE

Close-up footage of elephant tooth operation released by ZSL Whipsnade Zoo

Open up and say ah! An elephant at ZSL Whipsnade Zoo was paid a visit from the dentist to fix a mammoth toothache, and keepers captured the whole procedure on camera.

Keepers noticed that 33-year-old Lucha, a female Asian elephant, was off her food, and upon investigation from the vets were able to get to the root of the problem; a wobbly tooth that had moved and become infected.

Vets called upon the services of West End dental surgeon Dr. Peter Kertesz, a specialist in zoo dentistry, to help the team extract the massive molar.

Head Vet at the Zoological Society of London,

Nic Masters said: "While most people dread the idea of a visit to the dentist, for Lucha the elephant it was a relaxed experience, due to the regular training and close relationship she has with our keepers.

"The keepers quickly noticed when Lucha was off her food, and as soon as we identified the problem tooth, we called upon expert zoo dentist Dr Peter Kertesz to help out.

"When anaesthetizing an animal, we can't predict what side they'll lie down on, but thanks to training, Lucha was able to lay down on the right side, ensuring we could access her gum easily, and quickly remove the tooth to get her back on her feet as soon as possible."

Lucha and the herd of ten Asian elephants at ZSL Whipsnade Zoo are part of the European Endangered Species Programme (EEP). Asian elephants are classified as Endangered by the IUCN Red List of Endangered Species, and ZSL has been working in Salakpra Wildlife Sanctuary in western Thailand to tackle the human-elephant

conflict that threatens lives and livelihoods and protect the forest ecosystem.

Visitors can see ZSL Whipsnade Zoo's herd of Asian elephants go for their daily 2.5 mile walk around the 600-acre Zoo by booking online at www.zsl.org

# Put Your Best Foot **Forward**

how old you are evervone benefits from good foot

care.

Cracked heels are caused by dry skin, prolonged standing or mal-alignment of the foot or walking pattern. Use a pumice stone to reduce the hard skin and apply a suitable foot cream. Avoid wearing thin-soled or open-backed shoes and choose a good shock absorbing sole.

**Corns** are thickening of the skin usually on top of the toe, the sole or between the toes caused by pressure of the shoe. These may be swollen and painful to direct pressure. Often caused by illfitting shoes, you should avoid tight shoes and hosiery. Use a pumice stone to remove excess

skin and moisturise with a good foot cream. Don't use corn plasters as these can destroy healthy skin.

Sweatv and smelly feet can be caused by hormonal changes such as hyperhidrosis (excessive sweating) and being on your feet all day. Wear cotton socks and rotate your shoe usage. Wash and dry your feet carefully every day. Surgical spirit or witch hazel between the toes may help.

Blisters are painful, fluidfilled lesions, often caused by friction and pressure from ill-fitting footwear and socks and excessive moisture between the foot and the sock. To help prevent them:

It doesn't matter • Wear comfortable, good-fitting footwear.

- Choose moisture wicking socks that are the right size - specialist dual layer socks can be useful for walkers and runners - and change vour socks daily.
- Keep your toenails trim and regularly check your feet for signs of rubbing. If you have a blister, do not pop it - cover with a breathable plaster.

As the old saying goes "April showers bring forth May flowers" but this was only partly true. We had the showers which only added up to just above average the monthly rain fall. We had sun but the spoiler was the cold wind coming from north, it did not seem to relent all month. The wind chill factor effect was so noticeable with some days it felt 5 drees lower than the actual temperature (see plot below) the mean temperature (average) was 7.7°c, two degrees lower than April 2015. We also had 13 days where we recorded frost, it is short lived this time of the year lasting an hour or so at dawn.

## **Edlesbray Leisure Fellowship (ELF)**

Hello everyone,

At last the weather has warmed up but there have been several short, sharp showers of rain, snow and sleet. Blossoms are showing their lovely colours in spite of some heavy winds. Cherries, almonds and hawthorns are beautiful in the sunshine. Enjoy them.

Our meeting at The Coffee Tavern on April 14th was lively with a few disappointments regarding some of the hoped for outings. Because of minor problems our planned ideas for Wisley, Thriplow and Beconscot are now on the list for next year.

However, further discussions took place regarding a trip to Hughenden Manor in June. Details will be displayed in the North Porch of Eaton Bray Church and everyone is invited to join in. There is always transport available if required. A report will be in the August Focus. A visit to the De Havilland Museum and the St.Albans Rose Gardens is planned in July. Details will be displayed, as usual, in the North Porch of Eaton Bray Church. A report will be in the September Focus. Everyone is welcome to

join in. Transport is available if required.

In September we are hoping to arrange a visit to The National Motor Museum at Gaydon and in October a visit to the Milton Keynes Museum. All details will be displayed in the North Porch of Eaton Bray Church when they are available nearer to the dates.

The walking group enjoyed a very nice walk to and around Trowley Bottom.

The circular walk, led by Brian F, started at The Old Chequers, Gaddesden Row. The group really enjoyed seeing the Bluebells in full colour as the weather was fine. The distance covered was approximately 5miles. Thanks to Brian F. for arranging this walk. The group would welcome any newcomers to join them on these not too difficult, easy going fairly local strolls.

They meet at 9.30 on the 4th Monday in the Month outside Eaton Bray church.

There is NO COFFEE MEETING in JUNE.

The Grass is Singing by Doris Lessing This is the first novel, published in 1950, by the Nobel prize winning author, Doris Lessing. The story takes place in what was Southern Rhodesia, (now Zimbabwe) in the 1940s and deals with racial politics at that time. We know right from the beginning of the book that Mary Turner, the wife of a white Rhodesian farmer, is dead, killed by her black servant, Moses. Then, we are told in flashback, the circumstances that brought about the tragedy.

Mary was living an independent life in a nearby town, with a job that she enjoyed and a busy social life. She was quite contented with her single status until she overheard a chance remark about her

spinsterhood at a party, which made her think that she should be married in order to gain the respect of her peers.

She marries in haste. Her bridegroom, Dick Turner, is a struggling farmer, full of good intentions, but without the knowledge and experience to make the farm profitable. Mary, although shocked by the very basic living conditions and having no

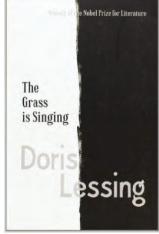

experience of housekeeping, tries at first to improve the farmhouse and to make it more comfortable. She loses house servants one after another, because of her intolerance and her husband is unable to fund improvements because of the farm's failure. Gradually, she becomes more and more disappointed by her husband's inadequacies and withdraws into herself becoming depressed and lethargic.

When Dick is laid low with bouts of malaria, Mary runs the farm. She is, in contrast to her husband, conscious of her superiority over her workers and treats them harshly. Whereas Dick has always tried to work with them and shown them consideration. This alienates the workers still further and creates even more problems for Dick and Mary.

This book is very atmospheric. The farm, its environment, the constant unrelenting heat and Mary's claustrophobic and isolated existence are brilliantly drawn. Our group, without exception, praised the descriptive writing, which was even more impressive when we learnt that the book was written when Doris Lessing was a mere 25 years of age. Also, that she had had no formal education and was

self taught by prodigious reading. We found plenty to discuss, as with hindsight we know what has happened to Zimbabwe and we could compare conditions and political attitudes then and now.

Although the writing was highly praised, two of our members didn't enjoy the book itself. The overall opinion was that this is a "classic must read".

## Edlesborough W.I.

The April evening's meeting was called, 'A Taste of

Summer'. On arrival the ladies were offered a glass of Pimms and a choice of delicious cake. Sitting at beautifully decorated tables the members enjoyed a chat before the evening commenced. Having toasted the Queen a happy 90th birthday and sorted out business matters, we sat back and enjoyed a return visit of the interesting speaker, Paul Rabbitts. Although a member of the 'Dull men of Great Britain Club,' Paul has been featured in the Telegraph, the Times and has appeared on the Jeremy Vine Programme. Paul gave an interesting and lively talk entitled, 'A Life in Landscape: Celebrating Parks, People and Places'. He talked about his thirty years of work which ranged from Jersey and the super rich to Cumbria City Council, where he was involved with the Carlisle Employment Action Scheme. He has transformed many derelict areas into areas of outstanding beauty with the aid of Lottery money and he has travelled to

amazing places such as Arizona, in order to gain insight into skate parks, which he brought back to England. He did in fact design a park, which cost three quarters of a million pounds to construct; most of which came from grants. continued to move around the UK with his work. These places of work include: Luton, the Scottish Borders, the Isle of Wight and at present Watford. Throughout his employment, Paul has dealt with large sums of money, which often came from the Lottery. Now, not only does he work in a job he loves but he also writes books. His choice of subjects include: parks and bandstands, which he feels absolutely passionately about.

The evening was rounded off with Meghan entertaining her audience by telling them an entertaining tale or two, an example of which was 'A Suburban Night's Grass Growing', a very amusing conversation between God and St. Francis, told in a variety of dialects and accents.

## **Red Lion Fundraising Day Thank You**

The Red Lion would like to extend a massive thank you to everybody who attended

and contributed towards our fundraising day last summer. We successfully raised over £1900, which has allowed us to purchase and install a defibrillator in the village. As well as this, the money raised allowed 8 local residents to be trained in first response. It was great to see the whole village coming together for such a worthwhile cause, and everyone getting involved – from face painting to tandem bike rides. The tug of war and quiz were particular highlights, with both adults and children showing their competitive side! We hope to see you all at our future fundraising events!

#### **Salvation Sound**

Prayer - Do you pray?

Do you worry sometimes that because you have difficulty in finding the right words to say, your prayer won't be heard? Do you fear that you might miss someone out? Or that your prayers are too casual, half-hearted? Squeezed in almost as an afterthought as you "jump" into bed; or if you do pray when in bed, you tend to fall asleep? Perhaps you feel that because you pray for the same things over and over again – God doesn't listen! Or maybe you're asking for the wrong things!

"We can't presume to know what's best

When we begin to pray;

So we must ask, "What honours God?"

Then seek His will and way".

Like a lot of Christians, prayer does not always come easily to me, nor do I always find myself praying for the things in life that really matter, the question is, then, why pray?

The answer, God gave me the privilege of being able to speak directly to Him, - Remember - "Truly, I tell you this: whatever you ask the father in my name, he will give you. Until now you have not asked for anything in my name. Ask and you will receive, so that your joy will be complete." John 16: 236-24 God does hear and does respond - A marathon runner reached the winning tape - he was muttering to himself as he did so. A bystander shouted out; "What's that you're saying?" The runner said, "I was praying", looking down at his feet, he smiled, then said "I was saying 'you pick them up Lord', and I'll put them down!!"

In the Bible, Paul urged his protégé Timothy: "Exercise yourself toward godliness. For bodily exercise profits a little, but godliness is profitable for all things, having promise of the life that now is and of that which come." I Tim.4 v7-8.

We don't need equipment to pray for a friend or to give thanks or to praise God.

A man transformed an overgrown plot of land into a beautiful garden. Pointing to a bed of flowers, he said to a friend, "Look at what I've done here." The friend replied, "you mean, look at what God and I did here." "Hmm," said the gardener," I suppose you're right but you should have seen it when He took care of it by himself!!"

Well, we can smile at that sort of conversation but it expresses a truth - we can work wonders with God's help, if we ask in the right spirit - God partners us in both physical and spiritual areas of life. God does hear and He does respond; it may be that his answer is 'NO' or 'NOT YET' but it may also be that he has already answered 'YES', if only we can bring ourselves to believe it.

"Just as the body will grow strong, with exercise each day,

So too, we grow more like our Lord by living life His way."

Although God knows our every need, His works He wants to share;

He takes us into partnership by calling us to Prayer"

#### Thank you!!!

We would like to say a really big thank you for the wonderful response that we had to the appeal we made on behalf of 8 years old Kye for his electric wheelchair.

The Salvation Army Hall was packed with visitors, all of whom enjoyed the food, the coffee, the cakes, the B&B sale, and the "chatter". The magnificent sum of £2,266 was raised from the sales and with the donations given.

Our thanks to you all - God Bless You.
