Your Neighbourhood Priorities

Making neighbourhoods safer, together

Your Safer Neighbourhood Team is a partnership of local agencies and local groups working together to identify the key issues affecting the local community and find workable long-term solutions.

Attached is a form from your Safer Neighbourhood Team, which we ask you to please complete, listing the top three issues you feel need to be tackled in your area. Please be specific about your needs (what, where and when things are happening in your area) as this will help in identifying the key areas to be looked at. If you would like an update of the issues raised, please tick the box and provide contact details.

Your support with this is greatly appreciated and we hope that by working together we can really help improve the quality of life for residents and for those working and visiting the area.

Once completed, please cut out the slip and return it to the postal address below,
or alternatively email your responses to the Parish Clerk on clerk@ebpc.co.uk
Postal address: The Parish Clerk, 20 Good Intent, Edlesborough, LU6 2RD

The information will be forwarded to Leighton Buzzard Police, Leighton Buzzard Rural SNT
